1. Clery (Campus Security) Act

Northwestern State University is dedicated to providing a safe, secure and crime-free environment for students, faculty, staff and visitors to the Natchitoches Campus. Realizing the diversity of the campus and the variety of activities occurring, it is essential that all individuals and departments are involved in campus safety and security. This information can help keep you and others safe at Northwestern. The University Police Department provides 7 days a week, 24 hours a day patrol protection for the Natchitoches campus, parking areas, and residence complexes.

Enforcement Authority

Commissioned by the Department of Public Safety, University Police officers are empowered by Louisiana Revised Statute 17:1805. As such, officers have the right to carry a concealed weapon and to exercise the power of arrest when discharging their duties while in or out of uniform; to discharge their duties off campus if engaging in intelligence gathering activity, investigating a crime committed on campus, or if specifically requested by the chief law enforcement officer of the city or parish.

Officer Training

Each officer must successfully complete the Louisiana Commission on Law Enforcement Peace Officer Standards and Training Course, an intensive twelve week course, taught by an accredited basic training academy. Officers receive additional in-service and specialized training in a variety of subjects to ensure competency in law enforcement, security, and safety areas.

Enforcement Responsibilities

University Police Officers are responsible for the full range of law enforcement services. These include, but are not limited to, responding to an investigation of incidents and offenses, medical emergencies, fires, bomb threats, auto accidents, violations of state liquor, controlled substances, and weapons laws and other on campus emergencies. The vehicle identification number and serial number of other items reported stolen from the campus are reported through the National Crime Information Center.

Working Relationship with Local Law Enforcement Agencies

The University Police Department enjoys an excellent working relationship with the Natchitoches Police Department, Natchitoches Parish Sheriff's Office, as well as Troop E, Louisiana State Police. Whenever an incident occurs that exceeds the capabilities of the University Police Department to investigate, personnel and other resources are provided by these law enforcement agencies.

Local Police Liaison

The University Police Department maintains liaison with the Natchitoches Police Department to ensure the monitoring and recording of criminal activity which may involve students at off campus locations. By agreement with the Natchitoches Police Department, the UPD responds to situations at off campus fraternity houses.

Reporting Crimes on Campus

Students, faculty, staff members, and visitors are strongly encouraged to report criminal activity or potential criminal action and any other emergency by calling the University Police emergency telephone number, 318-357-5431. This number provides direct 24-hour-a-day contact with the radio dispatcher. A daily crime/incident log will be maintained on each campus and communicated the NSU Police Department. In the event an individual prefers to report a criminal offense to someone other than the University Police, he/she has the option of reporting the situation to the Director of Student Services, 100 Student Union, telephone 318-357-6703, or to the Vice President for Student Affairs, telephone 318-357-5286. An employee also has the option of reporting a criminal act to his/her supervisor or the appropriate division Vice President.
Policy/Procedure Regarding Victims or Witnesses Reporting Crimes on a Voluntary, Confidential Basis
Anyone may anonymously report a crime to the NSU University Police Department by calling 318-357-5431. All requests for confidentiality are honored by the University Police Department.

Policy/Procedure for Encouraging Pastoral and Professional Counselors to Inform the Person They are Counseling of Voluntary, Confidential Procedures to Report Crimes
At the beginning of the Fall semester, the Chief of the University Police Department, will forward a letter to the Director, University Counseling Center, and to the Directors of the Baptist Collegiate Center, Catholic Student Center, Episcopal Student Center, Foundation of Wesley Westminster, and Presbyterian Student Center informing them that anyone they may be counseling as a result of a crime may on a voluntary, confidential basis report the crime to the University Police Department and how they may do so.

2. TIMELY WARNINGS and EMERGENCY NOTIFICATIONS
As required under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, 20 USC 1092 (f), this policy is to clarify Northwestern State University’s policy related to the requirement for timely warning of crimes that represent a continuing threat to the campus.

Campus Safety/Crime Warnings
In a manner that is timely and will aid in the prevention of similar crimes, NSU University Police or the Vice President for University Affairs will issue warnings to the campus community on violent crimes against a person, a substantial crime against property or an emergency situation on campus that represents a serious or ongoing threat to the campus community. Campus warnings can heighten safety awareness and may also seek information that may lead to the arrest and conviction of the offender when violent crimes against persons or substantial crimes against property have been reported.

Emergency Notification
Federal Law requires universities to “immediately notify the campus community without delay upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on the campus, unless issuing a notification will compromise efforts to contain the emergency”. The Northwestern State University Environmental Health & Safety Officer or Provost is responsible for sending out Notifications on Weather Related Issues. After conferring with University Vice Presidents and the President of the University of the Upcoming Weather Event the Provost will send out an alert based on the findings of the group and information provided by the NOAA, The Weather Channel and Local News Affiliates. If they are unavailable the Northwestern State University Police Department will issue the warning.

The Northwestern State University (NSU) Police Department will be responsible for issuing Criminal Acts timely warnings and emergency notification in compliance with the student Right-to-Know and Campus Security Act, (the Jeanne Clery Act), 20 U.S.C. § 1092(f) et seq. The Chief of University Police or Vice President for University Affairs will make the decision of whether to issue a timely campus safety/crime warning or emergency notification on a case-by-case basis considering the facts surrounding a crime, including factors such as the nature of the crime, the continuing danger to the campus community and the possible risk of compromising law enforcement efforts. Information for timely warnings and emergency notifications may also come from other law enforcement agencies. Criminal Acts for which a timely warning may be appropriate include, but are not limited to:

- Criminal Homicide (including murder, non-negligent manslaughter and negligent manslaughter);
- Sex Offenses
- Robbery
- Aggravated Assault
- Burglary
- Motor Vehicle Theft

• Arson
• Hate Crimes and
• Any other crime or situation which warrants such notification

Depending on the particular circumstance of the incident, timely warnings and emergency notifications may be distributed by any one or more of the following:

1. The **NSU PURPLE ALERT** text messaging system or recorded messages to other phones or devices
2. E-mail
3. News Releases
4. Posting an alert on the NSU home page and/or other sites where information will likely reach the campus community

Anyone with information warranting a timely campus safety/crime warning or emergency notification should report the circumstances to the **NSU Police Department**, by calling 318-357-5431, or in person at the University Police Department, located in the Infirmary building at 315 Caspari Street. The confidentiality of a victim or a witness involved in a crime will be kept confidential, unless it would interfere or infringe on public safety. At that point information will be disseminated in a way that best serves the public while maintaining the victims or witnesses confidentiality. Names will never be released on any alert from the University Police Department.

**Campus Evacuation Procedure**

Building Evacuation: Follow the instructions of University Police, and/or University Incident Commander, and/or all other Emergency Response Personnel. *Test of the notification systems and response is tested annually.*

1. Close the door as you leave, if you are the last one out of an area.
2. Use the CLOSEST ACCESSIBLE stairwell for evacuation.
   - Be alert for and careful of other people when using the stairwells.
   - Report to University Police the location of any disabled person you noticed that was unable to descend the stairs.
   - When you reach the ground floor, exit the building and stand at least 200 feet from the building. Meet in a place designated by your Supervisor or Instructor.
   - All stairwells and lighted exit signs at NSU are equipped with emergency lighting systems and will remain lit for several hours in the event of a power failure. A delay of several seconds may occur before the emergency lights come on.
   - Once you have exited the building—**DO NOT RE-ENTER THE BUILDING**. This is the most dangerous aspect of the evacuation—people going back into the building.
3. Keep moving down the stairs at an even pace.
4. Use the handrails, to prevent falling down the stairs.
5. Once outside, wait at least 200 feet from the building.
6. Keep all entrances/exits clear to facilitate access by emergency personnel.
   - When the “All Clear” is given, you will be allowed back into the building.

**DO NOT:**
- Smoke.
- Use elevators. – If the emergency is such that an elevator may be used, the disabled will have first and only priority.
- Return to the building for coats, purses, book bags, etc.
- Run or create panic.
- Return to the building until given an “All Clear” by the primary agency conducting the evacuation.

**Evacuation of Persons with Disabilities**
(Always consult with the disabled person regarding how to best assist them.)
If you have students, faculty, or staff in your area who are disabled, pre-assign and train emergency help for disabled co-workers before an emergency occurs. Be aware that faculty, staff and students with "hidden" disabilities (arthritis, cardiac conditions, and back problems, learning disabilities) may also need individual assistance. Use the following list to train both helpers and disabled persons. Consider adopting a "buddy system" naming who is responsible for whom.

To Assist **Visually Impaired** Persons:
- Announce the type of emergency.
- Offer your arm for guidance.
- Tell the person where you are going, obstacles you encounter.
- When you reach safety, ask if further help is needed.

To Alert People with **Hearing Problems**:
- Turn lights on/off to gain the person’s attention, or
- Indicate directions with gestures, or
- Write a note with evacuation directions

To Evacuate **People Using Crutches, Canes, or Walkers**:
- Evacuate these individuals as injured persons.
- Assist and accompany to evacuation site if possible, or
- Use a sturdy chair (or one with wheels) to move the person, or
- Help carry individual.

To Evacuate **Wheelchair Users**:
- Non-ambulatory persons’ needs and preferences vary. Individuals at ground floor locations may exit without help. Others have minimal ability to move. Remember, lifting may be dangerous to you or them.
- Some non-ambulatory persons have respiratory complications. Remove them from smoke and vapors immediately. Wheelchair users with electrical respirators should get priority assistance.
- Most wheelchairs are too heavy to take down stairs. Consult with the person to determine best carry options and reunite the person with the chair as soon as it is safe to do so.

**Note:** Do not put yourself or others in danger. If you cannot safely evacuate an individual, get them to a stairwell or other easily identified “protected” location and notify the emergency responders as soon as possible of the individual’s situation and location.

**3. Investigations/Crime Prevention**

The Investigations Section is staffed by one full-time investigator and an officer with specialized training in several crime areas.

**4. UPD Sponsored Programs**

The [University Police](#) Department presents seminars and workshops for all students, faculty, and staff throughout the academic year. Programs include Crime Prevention and Awareness; Rape, Date Rape, and Sexual Assault; Rape Aggression Defense (for women only), Identify Your Property; and Abuse of Controlled/Illegal Substances and Alcohol, and Active Shooter Situations. The Detective, or his designated representative, provides crime awareness, safety, and security presentation at all parent orientations, in-coming freshman and transfer student orientations, and residence hall orientations. These presentations center on crime prevention, security of personal property, bicycle security, sexual assault, personal security, controlled/illegal substances and alcohol. Information concerning crime prevention and awareness is also made available through public awareness bulletins, crime prevention posters and brochures, the University radio station, KNWD, the Current Sauce and [The Argus](#). An escort service is available for the safety of anyone walking alone on campus at any time of the day or night.
5. Maintenance of Campus Facilities

The Physical Plant and Services Department helps keep University buildings and grounds safe and secure. The Director, or his designated representative, inspects campus facilities regularly, promptly makes repairs affecting safety and security; and responds to reports of potential safety and security hazards such as broken windows and locks. The University Police Department assists Physical Plant personnel by reporting potential safety and security hazards. Students, faculty, staff, and visitors may also report any safety or security hazards by calling 318-357-5886 (Power Plant) or 318-357-4424 (Environmental Health & Safety Officer). Emergencies are reported directly to Maintenance at 357-4519 for all campuses.

6. Access to Campus

The University is an open campus with numerous city streets and a state highway offering access onto the campus. Most University facilities are open to the public during the day and evening hours when classes are in session. The gates close each night at 10:00 p.m. until 6:00 a.m. and entrance to the campus is accessible on Caspari Street only. University Police Officers, student officers, or student lockup conduct building checks as soon as possible after scheduled activities have been concluded for the day. Only faculty, staff, and graduate assistants are allowed to enter locked buildings when the University is closed.

7. Residential Life

Northwestern has three apartment complexes. University Police are actively involved in keeping them safe. Each complex is administered by an area coordinator and several resident assistants. As part of the on-campus residential choice, University Columns, University Place 1, University Place 2 and Varnado follow all University policies and regulations. Although residents of University Columns and University Place are obligated to adhere to the terms of their individual lease, they are not exempt from any university policy including those on overnight guests. Residents are held accountable to the Student code of conduct and to the terms of their community policy agreement. University Police have jurisdiction over student behavior within the Columns and University Place community. University Columns has a gated vehicle entrance and an office at the entrance. The entrance gate is operational 24 hours daily. The University Police Department and Residential Life work together to enhance existing programs and procedures and to develop new concepts to promote the greatest possible safety and security for residents. Education programs emphasizing security and crime awareness are sponsored by Residential Life and University Police throughout the semester. Residents are encouraged to take an active role in campus safety by reporting all strangers to the appropriate authorities and not leaving doors or gates propped open or unlocked.

Access to Residential Life Complexes

Visitors and guests must be accompanied by a resident at all times. Residents are held accountable for their guests' actions and conduct. Each housing complex has its own secured entrances into the property.

University Columns Apartments is a gated community with one entry and exit way for vehicle. However there are three walking gates that can be accessed by a code issued by the management of the complex. For safety of the community it is highly suggested that residents do not give out codes to gates.

University Place 1 Apartments is controlled by automatic locking gates into the building. Each gate requires an entry code be entered. Codes are issued through the management staff of the facility and should not be given to anyone.

University Place 2 Apartment Complex is also controlled by automatic locking gates with the exception of the main entry doors which is the entry point of the residence complex. The main doors are secured with an electronic lock and require a coded key-fob which is provided to residents at their time of moving in.

Varnado Hall is a residence hall with on main entry and exit door. The entrance into the residence hall is monitored by management of the facility. Student ID’s are used to grant access into the residence hall and
guest must sign in and are required to leave by 11pm. Students are informed to not give their student ID to anyone to gain entry into the residence hall.

**Off Campus Student Residences**

The [University Police](#) Department will provide crime prevention and personal safety seminars for students and faculty/staff who reside in off campus residential housing.

After you use the community grills provided, please leave the equipment, grills, and area clean for the next person. Flammable liquids may not be stored in your apartment.
Apartment Units

We recognize the importance of personalizing your Apartment. However, in order to comply with fire codes (which exist for your protection and safety), to reduce the risk of accidents, and to prevent other damage to the Apartment, we have established the policies that follow. If you fail to follow these policies, we may sanction you and/or charge you fines and costs.

Emergency Fire Evacuation Procedures

Immediate Action

- Upon discovering a fire, CALL THE FIRE DEPARTMENT BEFORE DOING ANYTHING ELSE: 318-352-2121 OR 911. Never assume someone else has already called.
- While escaping from a fire, close as many doors as you can in order to prevent the spread; however, do not endanger yourself by doing so.
- Crouch and keep low. Smoke rises and clean air is nearest the floor.
- As you make your way out of the building:
  - Maintain contact with a wall;
  - Use handrails while descending stairs;
  - Take off high-heeled or awkward shoes; and
  - Test doors by putting the back of your hand to them before opening.
    - If hot, find another way out.
    - If not hot, open the door slowly and carefully and be ready to close it if heat or smoke pours in.
  - Walk calmly; never panic or shove.
  - Stop, drop and roll if your clothing catches fire. Do not panic and run; this will only fan the flames.
    - Cover your face with your hands;
    - Drop gently to the ground;
    - Never beat at flames with your hands; smother them with your body.
- If you are trapped:
  - Try to find a room with an exterior window and stay there until help arrives.
  - Use the telephone, if possible, to call the department and let them know exactly where you are.
  - Open the window slightly to allow fresh air to come in.
  - Keep smoke out by stuffing cracks and covering vents with clothing, newspapers, towels, etc.
  - If possible, breathe through a wet cloth.
  - Wave something lightly or brightly colored out the window to attract attention.
• Keep in mind that most fire department ladders do not reach above six floors and that other means will be used for a rescue on floors above this.
• If you have escaped the building to the street, move away from the building.
• Don’t block the fire fighters and equipment;
• Be careful of falling glass;
• If you have escaped the building to the roof, stay clear of all exit doors and give helicopters room to land or execute a rescue.

Fire Safety Education

Fire safety education and training programs provided to students and staff includes:
• Fire Extinguisher Training (All Staff)
• Emergency Planning Training (All Staff)
• Hazardous Communication (Non-Student Staff)
• Fire Drill Notice & Procedure (Distributed to all Apartments)

Fire Log

University Police maintains a fire log that records by the date that a fire was reported of any fire that occurred in an on-campus student housing facility. This log will include the nature, date, time, and general location of each fire. An entry to the log, or an addition to an entry, must be made within 2 business days of the receipt of the information. The log for the most recent 60 day period must be open to public inspection during normal business hours.

Plans for Improvements in Fire Safety   Safety Week (October 2015)

We will educate students on proper precautions to minimize the risk for fire in a resident hall setting:

 In any vehicle owned or leased by Northwestern State,
10. Alcohol Policy

The University has established policies and guidelines governing the possession, sale, and consumption of alcoholic beverages on and off the campus. (See the Student Handbook, page 36). Underage possession and/or consumption of alcoholic beverages is not permitted on University owned or controlled property. In addition to criminal charges that violators may face, the University may also establish sanctions for the violation of University policy which include, but not limited to, reprimand, probation, suspension, and expulsion. Students may also be referred for counseling and/or referral for individual assessment; referrals may be included as a condition of any sanction. Article IV, Section 9 of the Code of Student Conduct describes substance infractions.

11. Controlled/Illegal Substances (Drugs)

The University does not condone the possession, use or distribution or marijuana, cocaine, LSD or other hallucinogens and narcotics by anyone in any campus facility or on the property owned or controlled by the University. (See the Student Handbook, page 36)

Northwestern State University conforms to all local, state and federal laws regarding the use of alcohol and other drugs on campus. Northwestern is a member of the Drug-Free schools and campuses and abides by their standards regarding policies, athletic programs, educational programs, enforcement and assessment.

Students and employees of Northwestern State University are hereby informed that the unlawful manufacture, distribution, dispensing, possession or use of controlled substances is prohibited on university property. Students and employees of the University found to be illegally manufacturing, distributing, dispensing, possessing or using controlled dangerous substances on university property shall be subject to disciplinary action in accordance with applicable policies of the University of Louisiana System Board of Supervisors and Northwestern State University. In addition to university disciplinary action, students and employees found to be illegally manufacturing, distributing, dispensing, possessing or using controlled substances shall also be subject to criminal prosecution.

12. Drug & Alcohol Abuse Education Programs

The University has a variety of educational programs that deal with substance abuse. (See the Student Handbook, page 37)

Although nationally, binge drinking is a major problem on university campuses, a very limited number of Northwestern students are known to be engaged in this type of destructive behavior.

13. University Counseling Center

Counseling and Career Services (318-357-5621) is located on the third floor of Friedman Student Union and provides a comprehensive and wide variety of counseling services to members of the campus community. The center is staffed by licensed and professional mental health counselors. The center is well adapted to working with victims of sexual assault and individuals with substance abuse and relationship problems. In addition to the Crisis Intervention Service that the Center's staff provides on a daily basis, the following services are also provided:

- individual psycho-therapy
- group therapy for survivors of incest
- family counseling for assault victims

Counseling services provided at the Center remain confidential.
14. Sexual Assaults: Reporting a Rape, Sexual Assault/Battery and Sexual Misconduct to the University

Northwestern State University does not tolerate sexual assault, domestic violence, dating violence, stalking, sexual harassment, or sexual misconduct of any kind. Sexual assault is a violation of trust and respect and is a serious crime that can occur with men and women, whether gay, straight, transgender or bisexual. The University strongly advocates reporting a sexual assault to University Police, a Campus Security Authority (CSA), including Housing and Residential representatives, University advisors, Student Affairs personnel, and Confidential Advisors. Filing a report with university personnel will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions. As soon as possible following an incident, the victim is encouraged to call the University Police Department (318-357-5431). To report an incident at a later date, call the Police Investigator (318-357-5431). Reporting to the University Police helps:

- Protect you and others from future victimization
- Apprehend the alleged assailant
- Maintain future options regarding criminal prosecution, University disciplinary action and/or civil action against the perpetrator

18. Campus Security Act and Higher Education Amendments of 1998 (Clery Act)

In compliance with the Campus Security Act, the University collects information on selected crimes: battery (aggravated and simple), burglary, homicide, manslaughter, motor vehicle theft, arson, sexual offenses (rape, fondling, incest, and statutory rape), dating violence, dating violence, stalking, and robbery (aggravated and simple). Also collected is the number of arrests for drug law, liquor law, and weapons law violations. This information is available to the public, to all students, faculty and staff, and to all prospective students and employees who request this information. The Act also requires colleges and universities to provide law enforcement and security information regarding each campus. Copies of NSU crime statistics can be viewed online at the University Police Department website or a hard copy can be picked up at the University Police Station.

In March of 2013 Violence Against Women Act Amendments (VAWA) were signed into law. The negotiated rulemaking process for these new amendments concluded in April of 2014 and is entered into final regulations after the rule making process with the results being made available in November of 2014. The amendments includes but is not limited to the recording statistics of Domestic Violence, Dating Violence, and Stalking. Also there are new policies that have been implemented into the University community. Officials of Northwestern State University have received training on these new amendments and have enhanced our knowledge of the new amendments. Any significant changes will be made known the University Community and public upon request.

Please note that changes have been made to some of the categories that we will present statistics for. First the categories of Forceible and Non-forceible Sex Offense has been expanded with each listing. Two different sub categories have been added to the different types of Sex Offenses. For Sex Offenses-Forceible the sub group is Rape and Fondling. For the Sex Offense-Non-forceible the sub group is Incest and Statutory Rape.

Another new group of statistics is that will be presented for the first time is the category of Unfounded Crimes. Unfounded Crimes will be added to each crime listed with the number of Unfounded Crimes listed in each group. Only sworn or commissioned law enforcement personnel may “unfound” a crime for purposes of reporting under this section. The recovery of stolen property, the refusal of the victim to cooperate with the prosecution or investigation, and failure to make an arrest do not “unfound” a crime.

Also you will or have seen new terms such as Confidential Advisor. This term is from a new Louisiana State Law that has recently passes called the Campus Accountability and Safety Act. This new state law also makes requirements of institutions in this state to adhere to its standards as well. New climate surveys and training programs are being developed for students of the University in compliance with this law. In addition attempts are being made to secure Memorandums of Understanding with local police jurisdictions of all Northwestern State University Campuses.

19. Crime Log

The UPD maintains a crime log on which is recorded each police report—criminal offense, traffic violation, and non-criminal incidents; the time, date, and place of the event and a disposition of the report (arrest, misdemeanor summons, referral to student judicial affairs or any other action taken). The log is updated each working day and is available to the public on request. Each of the University’s satellite campuses maintains crime logs of incidents/accidents on their campus and reports them directly to the University Police.

An Officer with Northwestern State University Police Department reviews each police report and records those meeting the definitions of the Uniform Crime Report (UCR) mandated to be reported and records each by case numbers as to the UCR crime and the geographical area where the crime occurred. Any police report received from the Natchitoches Police Department that involves students at an off-campus location of a student organization officially recognized by the University is managed in the same manner. Information from Campus Security Authorities is also evaluated and situations that meet the UCR definitions are recorded as well. Hate crimes and crimes reported on an anonymous, confidential basis that are mandated to be reported are also recorded in the same manner. Crimes are reported as having occurred in one of four categories: On-Campus, Residential Life Facilities, Public Areas, and Off-Campus. All Residential Life Facilities are located on-campus; however, residential life facilities are used to distinguish between academic and administrative buildings, campus grounds, and parking areas.

On Campus is defined as any building or property owned or controlled within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution's educational purposes and property within the same reasonably contiguous geographic area of the institution but controlled by another person, is used by students, and supports institutional purposes (such as food or other retail vendors.)

Residential Life Facility is defined as any building that houses students such residential apartment complexes.

Public Property is defined as any public property that is within the same reasonable contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility, and is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a manner related to, the institution's educational purposes.

Off Campus (Non-Campus) is defined as any building or property owned or controlled by a student organization recognized by the institution and any building or property (other than a branch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution's educational purposes, is used by students and is not within the same reasonably contiguous geographic area of the institution. Policy concerning monitoring and recording through local police agencies criminal activity on which students engaged at off-campus locations of student organizations officially recognized by the University: Upon notification by the Natchitoches Police Department of a crime or crimes involving students at off-campus locations of student organizations officially recognized by the University, will contact the chief, Detective Division, Natchitoches Police Department(NPD) and establish protocol for exchange of information. The University Police Department will establish a case number for the incident in question. The crime or crimes will be reflected in the UPD's annual disclosure of crime statistics if it is a crime mandated to be reported.
